Insurance Exam Preparation

## ***Washington Self-study Online Pre-licensing Education***

The online courses offered by Intellipass fulfill the Washington State Pre-licensing Education (PLE) requirement. If you want a resident license you must complete 20 hours of PLE for each major line of authority (LOA) you wish to obtain. Major lines include: Life, Disability, Property, Casualty and Personal Lines (if you are getting a Property & Casualty license, you **DO NOT** need a Personal Lines license). The computer tracks your time as you study your course. You may download and print a Certificate of Completion after completing all the lessons in the course and completing a minimum of 20 hours of study. You may refer to the Intellipass website to learn more about Washington Insurance Pre-licensing Requirements or to learn more about the courseware features.
